CALLING ALL LADIES!!!

The feedback I've gotten on our Create-a-thons is that ladies who have come would like to do this on a regular basis! And more often than once a year. So we are thinking that one per season ~ quarterly ~ four per year would be a good frequency! Our last one was in November, so that would have been our Fall Create-a-thon. So we're now planning a Winter Create-a-thon!!

Saturday's seem to be "prime time" for most, a day for family time and working on projects. Sunday afternoon ~ evening seemed to work well for most, so we'll go with that this time and see how we (those who attend) like it.

We have done both "bring-your-own-food" and a "potluck meal", and are going to go with the latter this time, as it's nice to have one warm, yummy meal during our time together. So go to this page:

www.perfectpotluck.com/meals.php?t=KKAX5680

...and read ALLLLL my notes at the top, and then sign up ~ once as "coming", and then also for what you want to contribute to the meal. Email Barb at beshelton@aol.com with any questions.
